you clearly fully understand what you're speaking about, and I can definitely get behind that.

but under the rules of a shutdown, they would not be paid until the impasse is over.

depression, confusion, and an inability to concentrate are all associated with B6 deficiency.

was screwed the worker brushed it off like it was no big deal and gave me more wrong information ldquo;as

in consequence, they would not have received a prognosis of death; they would not have been programmed to die.
